Dear Ms. Morgan:

This is General Motors' (GM) response to your inquiry dated December 16th, 2009 regarding certain death and injury incidents reported by GM in its light vehicle early warning report from the 2nd quarter of 2009.

GM's response is comprised of 88 disks for the incidents that are the subject of DI09-096.

Attachment "A" includes instructions for navigating the disk. Each disk, on its face, is identified by the NHTSA Sequence ID number, the Manufacturer's Unique ID number and the year, make and model of the vehicle involved in the incident, e.g., 3 18605620-675350 and 2009 BUICK ENCLAVE. When the disk is launched, this identification number appears again along with all of the documents on the disk (including photographs and videos, if applicable) listed under "Filename." The first document listed under Filename is an index with the Request and Responses, e.g., identified as 3 18605620-675350\_00\_Request and Responses. The index is numbered 1 through 3 to correspond to Inquiries 1 through 3, which are repeated verbatim below. The index also details whether any documents responsive to each inquiry were located.

For example, the Inquiry and Response in the index  
for the disk are as follows:

DI09-096  
3 18605620-675350  
2009 BUICK ENCLAVE

Request for Information:

1. **Provide a complete copy of the initial claim or notice document(s) that notified GM of the incident, excluding: (a) medical documents and bills, except those showing the cause of death or injury; (b) property damage invoices or estimates; and (c) documents related to damages.**

Response: See attached document.

2. **Provide a copy of the Police Accident Report.**

Response: See attached documents and photographs.

The remaining document listed under Filename, reference the Manufacturer's Unique ID number along with the responsive Inquiry number. For example:

- 3 18605620-675350 **\_01\_001** - is the first document responsive to Inquiry no. 1.
- 3 18605620-675350 **\_02\_001** - is the first document responsive to Inquiry no. 2.

Your inquiries and our corresponding replies are as follows:

1. **Provide a complete copy of the initial claim or notice document(s) that notified GM of the incident, excluding: (a) medical documents and bills, except those showing the cause of death or injury; (b) property damage invoices or estimates; and (c) documents related to damages.**

Response: See attached document.

The table below lists the incident that is the subject of DI09-066, by Reporting Category, Sequence ID, VIN and type of notice received by GM (as "notice" is commonly used, not as it is defined by 49 C.F.R. §579.4(c)). Incidents reported on GM's Early Warning Report Death and Injury worksheet fall into four categories: Lawsuit (LIT), NISM (Not In Suit Matters), Product Allegation Resolution (PAR) or Rumor (RMR). Lawsuit and NISM case types generally meet the §579.4(c) definition of "claim." PAR cases, in this context, refer to customer contacts in which an injury or fatality is alleged to have occurred as a result of a product defect, and are accompanied by a writing that may or may not meet the §579.4(c) definition of "claim" or "notice." Rumor incidents do *not* involve a written or verbal, implied or express allegation of a defect by a customer. Rather, rumor cases generally refer to incidents that GM learned of through the media, which were subsequently investigated further.

Cust sts I was coming down Lenecia Road and someone ran a stop sign and I hit them. My air bags did not deploy. Impact was more to the left of my vehicle, after I hit him it pulled to the side. It boned him. Other driver drove away. My insurance covered the accident. I am in physical therapy as my hand goes numb, neck pain, continual headaches from the neck pain, midway down my back to my shoulders is in constant pain. I am out of work because of the injuries I suffered. I am now disabled.

Cust sks why the air bags did not deploy.

CRS advsd how air bags operated and advsd that due to the nature of the file/injuries the case will need to go to our Central Claims office. CRS advsd that an agent from Central Claims will follow up with the customer in 7 to 10 business days. CRS advsd if no one has contacted cust by the 10th business day please contact me and I can provide their number and the name of the agent handling the case.
